

You could win a \$200 gift voucher

Mark's birthday is on the 7th of August and as usual he has not given us any clue as to what gifts he would like—he always says he doesn't want anything. So during August (his birthday month) we will be giving our guests, at both lunch and dinner, a special gift that they can enjoy for Mark's Birthday.

Don't forget to give Mark a bit of a dig about how much you enjoyed his gifts.

But you can't peek! Until it is bought back for dinner in September and opened in front of one of our staff members.

Everyone had such a great time with our Christmas no peeking promotion in Jan/Feb earlier this year, even our staff loved it. This time we have doubled the major prize to \$200 and there are lots of prizes to be found—gift vouchers for \$100, \$50, \$20, \$10, \$5, Entrees, Main courses, Desserts, Bottles of wine and chocolates.

We figure that Mark will always come up with lots of ideas for future birthdays gifts after this promotion, with the memory of all of the free food he had to cook!

You may collect more than one envelope over the month but only one envelope can be returned per table per visit in September. You are welcome to pass the gifts on if you can't use them.

If you accidentally open your envelope (or the kids do) don't freak out—unless it was the big prize that is! We will be able to replace it with a new unopened one. And remember please do not push our staff to bend the rules as all of the prizes are generous and significant (and we want to be still here for you next year).—*Enjoy the fun.*

We had a trial email sent to some of our list with great success in July. There is definitely more to this than we realised... but we are working on perfecting it to get our newsletter happening online! Past newsletters can be viewed via our website. Georgiescafe.com.au

Is your pride keeping you warm?

Have you gone out with out a coat because you don't have anything that matches your clothes — *well of course we all have!*

That is why at Georgie's we have a collection of courtesy coats for our guests—for when their pride can't keep them warm any longer.

The courtesy coats came in handy for the Mc Andrews family during the cold snap being the first to model our new groovey furry coats from Melbourne with the gorilla one voted the best closely followed by the tabby cat! Then again there is the option of sitting inside the warm gallery.....

One degree of separation?

Forget the 6 degrees of separation rule in Grafton. Travellers Peter and Judy Gregg from Sydney stopped in Grafton on the night of the Georgie's Bollywood Indian feast and joined onto one of the big tables. They didn't know anyone but

Kate Thompson with Judy and Peter

that didn't stop them joining in the spirit of the night and meeting many of the locals. Judy mentioned to one of the guests sitting next to her (Kate Thompson) that she did know a woman once from Grafton when she was nursing years ago but she didn't remember her married name to contact her. She was called Fran...it turns out that it was Fran Hiatt she had trained with— Kate's mother! Was the law of attraction at work?

The night was a great success with many guests going to lots of trouble to dress up in the Bollywood theme. The spirit was great and we would love to do another one in the warmth of summer in the courtyard for a bigger crowd now we have had a practice run.

HAPPY 75th BIRTHDAY BENDY BRIDGE!

The Today show crew stopped by Georgie's after the Bridge celebrations to thaw out in the beautifully sunny courtyard for a reviving breaky. What a frosty morning it was! I don't know if we really needed to give Mike Dalton coffee—he was already on fire that morning—or was it just the candles on the cake! Our children loved the excitement of the bridge celebration and the chocolate cake for breakfast under the bridge was a huge hit. A genuine memory for prosperity, thanks Roger Mackenzie for "seeing" something we totally take for granted.

JESS, UNDER PRESSURE

In July we took Jessica Edwards (Georgie's 1st year apprentice) to Coffs for her first cooking competition.

Jess may not have been very impressed about going initially—but after being

awarded 1st prize, more than her weekly wage in prize money and a trip to Sydney to compete in the finals she was starting to come around.

The Judge was impressed by Jess's performance commenting on her cleanliness, her good work process, organisation, flavours and presentation. Competing in the competition was a great experience for Jess and showed her what she is capable of when she extends herself.—well done Jess!
Good luck in Sydney in September.
